# TRAVELING Petite Girl

## ABOUT TRAVELING PETITE GIRL

Traveling Petite Girl is a travel & photography blog that inspires women to travel and take beautiful travel photos through travel guides, travel videos, and photography tips. My mission is for women to experience themselves as creative, kind-hearted, authentic badasses by creating content that fuses, inspiration, discovery, and creativity. With that, my content is engaging, fun, and #real! In addition to that, Traveling Petite Girl has built a loyal following from an international audience, majority of whom are based in the Philippines and United States.
